**reptiles are abhorrent tv tropes** - *this trope is not applied with equal frequency and intensity to all reptiles snakes especially venomous ones and crocodilians tend to be the reptiles most associated with villains meanwhile turtles and certain small lizards like geckos chameleons frilled lizards and the like are seen as cute and harmless and are less likely to be associated with evil*, **port manteaux word maker onelook** - *port manteaux churns out silly new words when you feed it an idea or two enter a word or two above and you ll get back a bunch of portmanteaux created by jamming together words that are conceptually related to your inputs for example enter giraffe and you ll get back words like gazellephant and gorilldebeest*
